1 Formal CPD point

Please be aware you are required to manage your own CPD records. We will provide you with your participation certificate and answer sheet once you have attended the full seminar.

The below answer sheet is for your own self-assessment.
Please keep your completed questionnaires and answers on file for your record.
These do not need to be sent to CPD Live. CPD-Live will send you certificate.

EFFORTLESS, BEAUTIFUL LIVING

Coastal Architecture - Designing for Salt, Sun & Storm

1. **What percentage of Australians live within 7km of the coast?**

2. **Explain how wind and sand typically damage buildings in coastal environments.**

3. **How should architects address the challenges associated with moisture, wind and sand damage, and salt-induced corrosion in coastal architecture? Is it about considering each in isolation or is a holistic approach recommended?**

4. **What regulations apply to the protection of houses from wind in Australian coastal environments?**

5. **What are the potential consequences of underestimating a building's exposure to coastal conditions?**

Competency Codes: PC12, PC16, PC24, PC28
